## Here to Help

We'd like to let members know we are **still open**, should you need to use our services.

To protect our members, staff and our community we are implementing a change to how we operate and your patience is appreciated during these difficult times.

**We would greatly appreciate and encourage repayments and deposits to be made by card over the telephone where possible; telephone 028 2764 1130**

To avoid queues and ensure social distancing we also have a **quick lodge** facility in our office for deposits and repayments by cash or cheque

For any vulnerable or self isolating members please contact us by telephone and we will try to assist you as best as possible.

We will introduce an appointment system for loan or any other queries.

We'd also like to remind members they can still conduct business over the **phone** or contact us via email.

**Any member who finds themselves in financial difficulty, please call us - WE'RE HERE TO HELP.**
